Starting in the second knot from your hook and working in the top loops only  
sc 3

ch 1

working in back loops of the original  
chain sc 3

Sew the ends of each wing between rows 5-6 and 8-9. Sew the left wing about 1-2 stitches to the left of the left eye and the right wing 1-2 stitches to the right of the right eye. There should be 7 stitches between the wings.

### *Mouth:*

Use black yarn to sew the mouth on by making a v shape centered between the eyes having the bottom of the v between rows 1-2 and the top of the v up on and to the right/left one

### *Blush:*

Use pink yarn to sew over one stitch under the eyes
